### JOHN M. MILLER RECEIVES DEGREE OF PH. D. IN YALE

Washington Young Man Lived  
Here Many Years and Is  
Favorably Known.

Among those who received their de-  
gree of Doctor of Philosophy Wednes-  
day at Yale University was John Mil-  
ton Miller, son of Mrs. W. T. Whiting,  
formerly of this city but now of  
Washington, D. C.

Dr. Miller is exceptionally well  
known in this city where he lived  
many years. He attended the Bridge-  
port High school from which he was  
graduated with the class of 1900. In  
the autumn of the same year he en-  
tered Yale partly working his way  
through the four year academic  
course. Following his graduation he  
won the Sloan Fellowship for three  
successive years.

In 1907 he went to Washington, D.  
C. to take a position in the Bureau  
of Standards. He is now assistant  
physicist of this bureau. The thesis  
on which he was given his degree of  
Ph.D. treated of "The Effective Re-  
sistance and Inductance of Iron and  
Bimetallic Wires."

Dr. Miller has numerous local  
friends, who will be more than  
pleased to learn of the honor he has  
gained through persistent hard work.

### SACRED HEART PARISH WOMEN FROM GUILD TO HELP ST. AGNES' HOME

At the call of Bishop Nilan, the  
women of the Sacred Heart church  
met last evening for the purpose of  
forming a guild, whose aim and am-  
bition will be to supply clothes for  
infants at the St. Agnes' Home in  
Hartford. There were about twenty-  
five present.

Mrs. Cogan, president of the St.  
Agnes Guild of Hartford, was present  
and she gave an interesting talk on  
the work being done by her guild in  
Hartford. She informed her listeners  
that the home was organized for the  
purpose of taking care of dependent  
children under four years of age. Af-  
ter Mrs. Cogan's address, Miss Cath-  
erine Tuite was elected president of  
the newly organized guild.

### PHILLIPS GETS MASONIC OFFICER

The 45th annual convention of Ma-  
sonic Veterans of Connecticut was  
held in Waterbury yesterday. These  
officers were elected:

Venerable master—Reuben H.  
Tucker, Ansonia.

min Jones, Wallingford; Ebenezer S.  
Phillips, Bridgeport; Samuel G. Red-  
shaw, Ansonia; Henry F. Parker,  
Conventry; Joseph F. Vedwarka, New  
London; Albert L. Dodge, Roxbury;

Robert W. Burke, Middletown.

Secretary—Henry W. Atwood,  
Waterbury.

Treasurer—C. Henry Keach, Water-  
bury.

Registrar—William B. Hall, Wal-  
lingford.

Chaplain—Samuel J. Bryant, New  
Haven.

ington.

### SECRETARY OF STATE ROBERT LANSING IN COLLEGE CAP AND GOWN

ROBERT LANSING

A few days before he was appointed  
secretary of state Colgate university  
of Hamilton, N. Y., conferred the de-  
gree of LL. D. on Robert Lansing. In  
the accompanying illustration the new  
secretary of state is shown in college  
regalia. Dispatches from Washington  
say that few appointments in recent  
years have given such widespread sat-  
isfaction in the national capital. Lan-  
sing is a lifelong Democrat, but he has  
devoted his time to international law  
and diplomacy and is as popular with  
former Republican officials as with his  
colleagues. Members of the cabinet  
who talked with the President on the  
subject were unanimous in their re-  
commendations that he should be ap-  
pointed. Colonel E. M. House and other  
close personal friends of the Presi-  
dent advised the selection, and Bryan  
himself, although not consulted, is un-  
derstood to have hoped for the prom-  
otion of Lansing.

### STOCK MARKET

New York, June 25.—Opening.—Re-  
newal of liquidation in U. S. Rubber,  
which opened with a sale of 1,000  
shares at 54 to 55, against yesterday's  
closing price of 54 1/2, was the feature  
of today's early trading. Additional  
offerings sent the stock down to 52 3/4  
after which it rallied a point. In other  
quarters the market was firm with  
general recoveries from the weakness  
which marked the close of the pre-  
ceding session. Canadian Pacific, Read-  
ing, War specialties and coppers made  
initial fractional gains, which soon  
were increased to a point or more.

Noon.—Sales in the first hour barely  
approximated 100,000 shares, rubber,  
Westinghouse and Steel supplying  
over 40 per cent. of the whole. Stocks  
were offered on the rise, a large part  
of the early gains being lost. Later  
weakness in the southwestern group,  
including Missouri Pacific stock and  
convertible bonds, Rock Island and  
Missouri, Kansas & Texas issues cre-  
ated renewed unsettlement. The usual  
rumors accompanied the fall in these  
stocks, coupled with adverse crop ad-  
vice. Towards midday prices again  
improved under lead of war shares  
which rose to 3 points. Bonds were  
firm.

### HARRY THAW'S MOTHER A PATHETIC FIGURE IN CELEBRATED CASE

With Harry Thaw making what was  
considered the final battle for freedom  
in the sanity test trial in New York  
city there was the greatest sympathy  
expressed for the aged mother of the  
noted prisoner. From the night of the  
murder of Stanford White more than  
nine years ago Thaw's mother has  
never ceased one moment in her fight  
to free him. The accompanying pho-  
tograph of Mrs. Thaw shows her on  
the way to the court room in New  
York city.

### PORTLAND SOCIETY LEADER ELOPES AND WEDS IN THIS CITY

Miss Peris Loring Conant, daugh-  
ter of F. O. Conant a leading citizen  
of Portland, Me., and president of a  
large wholesale house there, and  
Hugh Webster Babb, of Yarmouth,  
Me., were married in this city Sat-  
urday night at the home of Mr. and  
Mrs. Charles M. Calhoun, 329 Wash-  
ington avenue. The couple eloped  
because of the objections raised by  
the Conant family to the marriage.

Miss Conant is a leading light in  
Portland society and her wedding has  
created profound interest among her  
friends. Babb is a graduate of Har-  
vard law school and has attended  
Cambridge and Oxford universities.

United States sub-treasuries have  
been notified by the treasury depart-

### THOUGHT HADLEY WAS BODYGUARD FOR PROF. TAFT

Ralph Benyon of The Strand Four,  
one of the big features at the Plaza  
this week, tells of a very amusing in-  
cident that happened during their en-  
gagement in a New Haven theatre the  
fore part of the week. At the request  
of the house manager two of the acts  
on the bill were to appear at a ban-  
quet at the Garde hotel, which was to  
be number among its guests, ex-President  
Taft.

After the menu had been served and  
the diners had prepared themselves for  
the entertainment part of their feast  
several acts were presented and the  
Strand Four were kept busy answer-  
ing encores, while Mr. Taft was among  
the chief "boosters."

Almost immediately after the quar-  
tet had finished their numbers the ex-  
president quietly slipped out of the  
dining hall to keep an urgent appoint-  
ment and after his absence was dis-  
covered, one of the other performers  
remarked that it was strange he  
should leave so early. "Has he gone?"  
inquired Mr. Benyon of the Strand  
quartet who had seen him but a few  
moments before applauding vocifer-  
ously for another encore while the act  
was bowing its thanks. "Yes," an-  
swered the performer, "I just passed  
him in the doorway as he was leaving  
the building with his guard."

Thinking it rather strange that Mr.  
Taft felt constrained to protect himself  
with a guard, Mr. Benyon asked a  
prominent New Haven man who the  
guard in attendance was and his ques-  
tion brought a roar of laughter from  
the banqueters, which was really to  
be expected since the guard referred to  
was President Hadley of Yale uni-  
versity.

Mr. Benyon stated that the perform-  
er who spoke of the guard was joked  
considerably about his mistake, al-  
though he has not heard how Presi-  
dent Hadley felt regarding the compli-  
ment.

### YOUR SON HAS A NEW WATCH STANDARD

Take note of your boy's ideals when you choose a watch for him.  
Things he is proud to own are those he knows are accepted as "right"  
by men of discrimination.  
He no more wants a watch of yesterday than he would an old-  
style motor car. And he knows that today the small thin watch is the  
watch that is a mark of distinction to own.  
Come in and see it. Let us explain how a new, mechanically  
correct arrangement of wheels makes it only half as thick as the or-  
dinary watch, yet retains full size and strength of parts and highest  
timekeeping precision.
